

## Boston Scientific

### CTO from Imaging to Action: Mastering crossing with IVUS and proximal cap puncture simulation

**Wednesday 10<sup>th</sup> | 17:15 - 18:15**

Room 5 (Penn Room II)

#### Learning Objectives:

- 1: Learn IVUS strategy to visualize CTOs.
- 2: Interactive simulations with laptops and Live IVUS guided CTO puncture model.
- 3: Everything you wanted to know about enhancing CTO outcomes with AVVIGO but haven't asked yet!

Speaker: Elliot Smith & Stephan Carlier
